Better Is One Day

Verse 1

```
        E                E/A6            A2          Bsus
How lovely is Your dwelling place     O Lord Almighty
     E                    E/A6            Bsus
For my soul longs and even faints for You
     E                   E/A6          A2                Bsus
For here my heart is satisfied          within Your presence
  E                    E/A6              Bsus
I sing beneath the shadow of Your wings
```

Chorus (2x)

```
            A2                                  Bsus
Better is one day in Your courts       Better is one day in Your house
            A2                                      Bsus
Better is one day in Your courts       Than thousands elsewhere
```

Verse 2 (2x)

```
     E                E/A6            A2                Bsus
One thing I ask and I would seek       to see Your beauty
    E                 E/A6              Bsus
To find You in the place Your glory dwells
```

Bridge

```
    C#m                          A2                          C#m
My heart and flesh cry out       For You, the Living God
      C#m                 A2                          C#m
Your spirit's water to my soul
     C#m                         A2                          C#m
I've tasted and I've seen         Come once again to me
  C#m                            A2                    Bsus
I will draw near to You           I will draw near to You
```
