

In You

Verse 1

A Em
It's the Creator calling the created
G A
The Maker beckoning the made
G D
The bride finding what she's always waited for
G E
When we find ourselves that day

Chorus

A D
In You where the hungry feast at the table
A D
The blind frozen by colors in view
A D
The lame will dance, They'll dance for they are able
G
And the weary find rest
E A
Oh the weary find rest in You

Verse 2

A Em
I put my hope in You
G A
I lay my life in palm of your hand
G D
For I'm constantly drawn to You Lord
G E
In ways I cannot comprehend

repeat chorus

Verse 2

A Em
It's no secret that we don't belong here
G A
Those set apart by the grace of You
G D
And we look for the day when we go to a place
G E
Where the old becomes brand new

repeat chorus
